

TRAINING

**FOR DRIVERS/OPERATORS, MECHANICS,
TRANSPORT PLANNERS**

We'll turn you into a heavy-load expert

Through our training courses, we pass on valuable specialist knowledge for all logistics vehicles and special vehicles from KAMAG. With our guidance, your employees learn how to professionally operate and maintain our vehicles along with preparing and carrying out transport assignments.

4 reasons for driver/operator training at KAMAG:

- /** More safety and motivation for your drivers/operators
- /** Time savings through professional handling
- /** Accident prevention through qualified personnel
- /** Professional appearance at your customers through professional handling of equipment

Each participant will receive a certificate of attendance upon completion of the training.
